1st Cumbernauld athlete = 20 points, 2nd = 15, 3rd=12, 4th=10, 5th=9, 6th=8, 7th=7, 8th=6, 9th=5,10th=4,11th=3,12th=2, 13th=1. Points are awarded for each race, with an athletes best 3 performances counting.i.e the most points which any athlete can accrue would be 60 points (i.e. 3 races where he/she finished first Cumbernauld athlete.) At the end of the championship, in the event that 2 or more athletes are tied on points, the performances at the Great Scottish Run / Junior Run will be used as a decider. If this proves inconclusive, accumulative times in head to head races will be utilised. Under 11- under 15s therefore have 4 races where they can compete, with their best 3 performances counting. under 17s / seniors have 3 races, with results in all 3 races counting. ****Helix Park Runs only open to under 16 yrs and therefore counting races for under 11,13,15 age groups only.******Keswick Park Run - non scoring event for under 11/13/15s although still able to participate****
